## World Champion Football League Coaches agreement

This agreement, between Coach \_\_\_\_\_ and the above-named World Champion Football League, will begin on \_\_\_\_\_ and will continue for a minimum of seven months.

The voluntary services to be provided by the coach to the WCFL are as follows:

- A. To create a proper interest; develop enthusiasm for the sport of football and cheer, teaching the fundamentals, through practice, competition and sportsmanship.
- B. Ensure that all players are given the opportunity to participate in each game.
- C. To encourage participants to maintain high scholastic grades in school and develop a compassionate attitude.
- D. To implant firmly in the youth of the community the ideas of good sportsmanship, honesty, loyalty, courage and service.

Throughout the working relationship, the coach will engage in direct and personal conversations. The WCFL can count on the coach to be honest and straightforward in asking questions and making requests. The WCFL understands that the power of the coaching relationship can be granted only by the WCFL, and the WCFL agrees to do just that: have the coaching relationship be powerful. If the WCFL believes the coaching is not working as desired, the WCFL will communicate that belief and take action to return the power to the coaching relationship.

Our signatures on this agreement indicate full understanding of this agreement with the information outlined above.
